Mr. Brailsford graduated from Prairie View A&M University with a Bachelor of Science and a Master of Education. He has been a great aide for Cooper, and has served Cooper for six years.

Mr. Reford Schmittou, the Dean of Students, also added his share of effort on the Administrative staff. He was responsible for various student activities throughout the year. Ourselves Seniors

We Are Great in '78

In 1975, this year's Senior class came onto the Cooper High campus with enthusiasm and the determination to work hard and accomplish something. Through all three years this spirit prevailed. The class of '78 has been one of the most spirited and involved classes Cooper has had.

With a vitality that will be hard to match the energetic Seniors of '78 led a hard-working and enjoyable year.

The class of '78 will long be remembered by students

and faculty alike. The slogan of our sophomore year, "We'll be Great in '78," has come true in our Senior year. **WE ARE GREAT IN '78!**

The officers of 1977-78 were David Bauernfeind, President; Wes Williams, Vice-President; Shelley Ford, Treasurer; Valerie Scott, Corresponding Secretary; Wanda Keels, Recording Secretary; and Ken Dozier Student Council Representative.

Signs of the Times

The seniors of 1978 have had some great years and some great times. Plus some great signs. Many thanks go to the people who helped paint these signs. A special thanks to Lisa Leighton—the creator of our junior and senior signs.

Class of '79 Still Shining

A.

Spirit of '79 was flying high this year. The resourceful Juniors proved this year, as they did as Sophomores in '77, that they are an exceptional group of students. They had a bright, optimistic outlook that stayed with them throughout the year. They were involved in the school's activities the entire '77-'78 school year. The Class of '79 has always kept an eye out for the future, and next year as Seniors they will once again shine as one of the best classes to ever attend Cooper High School.

The Junior class officers of 1977-1978 were: John Spalding, President; Kary Taylor, Vice-President; Paige Powers, Treasurer; Terri Gregg, Recording Secretary; Toni Gregg, Corresponding Secretary; Kelley Scholes, Student Council Representative.

B.

Seniors faced the ever lingering thought that their high school life was in its last year, and teachers patiently waited for the students to get back in the swing of school and the studies it brought.

Homecoming '77

As Homecoming night drew near everyone became excited about seeing the exes, the game and finally the naming of the Homecoming Queen for 1977. Spirit soared during Homecoming week and many activities occurred. Fall Production was given, a Snake Dance to McMurry was held, spirit days were planned for everyday and exes receptions were planned for both after the pep rally and after the game. During the pep rally there was a moment of awe as the senior sign was unveiled. Returning Student Council President of 1973, Maury Taylor, gave the pep talk and both he and Kimberly Chaney Moore, 1973 Homecoming Queen received gifts.

Finally the big game against Permian Panthers arrived. Even though we lost the game, no one was too upset as our team had played a great game. Homecoming 1977 was over.

Cougar Football

Football

The Cooper Cougars opened the 1977 season against the Brownwood Lions. They were defeated by the score of 15-6. The Coogs had high hopes of a win the following week but they were dashed when Wichita Falls blanked us 18-0. Despite two previous losses, the Cougars kept the spirit up and stunned third ranked Killeen 17-13.

District play opened against San Angelo; there. The game was a hard fought, well executed, physical contest. The Coogs were out for revenge from last years game but the Bobcats came out on top 13-12. The following week's contest was against the Odessa Broncos. Spirit was high and the Coogs won 7-0. Midland Lee was our next opponent and Cooper lost 5-10.

Homecoming for 1977 was played in a downpour of rain against Permian. The Coogs fought hard to beat the Panthers but once again Mojo prevailed 14-7. The two following week's contests were both Homecoming games for the opposing teams. The mighty Cougars destroyed any hopes of a win by defeating the Big Spring Steers 41-6 and the Midland Bulldogs 14-8.

The last game of the season was against cross-town rival Abilene High. Both teams had come off spectacular wins the previous week and to some it looked like an even match up. "Not so!" said the Coogs. From the opening kick-off, the game belonged to the Cougars. Once again, this time without snow, the Coogs defeated the Eagles by a score of 28-15.

Cougar Basketball

The Cooper Cougars began the first half of district with high hopes of winning the district championship. Near the end of the first half, the Cougars were tied with Midland Lee for second place.

In spite of the fact that the Coogs had a disappointing first half of district, spirits remained high. Along with the Cougars' great spirit was the Wild Bunch '78 who came to all the home games and many of the out of town games.

The Cooper Junior Varsity, coached by Haskell Sinclair, had a fine year. The Junior Varsity featured a great deal of talent with players like Brian Keathley, Alvin Jenkins, David Williams, Jay Zumwalt, and Kyle Stuard promising a strong basketball program next year.

Cooper Cougar Basketball, led by Coach Marc Case and assisted by Coach Haskell Sinclair began the year with one hour a day workouts. On October 15 formal season workouts began. In the workouts the Cougars focused on dribbling, passing, and getting their timing down for a strong and exciting season.

The Cager's first test game against Lubbock Monterey

This game was the first of non-district play which ended against Wichita Falls Rider. During non-district the Cougars played in three tournaments. One in Lubbock, Waxahachie, and another in the Abilene Invitational, all of which they won all three.

This year's team possessed many great advantages over other teams, height and quickness which was featured by star players like Steve Sitzes, Bobby Miers, Sam Houston, Terry Orr, Woody Martin, and Dennis Bradford. With this fine talent Coach Case hoped to repeat as district champs.

The Cougars started the second half by beating the San Angelo Bobcats. The second half was very close. The Cougars were undefeated and in first place but Abilene High, the first half champs, were in second losing only one game. The Coogs met the Eagles in a final showdown. If the Cougars won there'd be another game between the crosstown rivals. If the Cougars lost, the Eagles would automatically be the SAAAA champs. It was a hard fought game but the Eagles walked away with the district title.

Thank you, Cooper Cougar Cagers, for giving us your loyal fans, a most enjoyable and exciting season!

Cougar Tennis

1978 COOPER TENNIS

The 1978-1979 Varsity Tennis Team had an exciting year under the leadership of its new coach, Steve Buck. Coach Buck joined the coaching staff at Cooper this year after leaving his previous position as the tennis pro at the Westwood Racquet Club. His experience in the field of tennis helped lead the Cougar Tennis Team to a fine season.

This year was a year for changes. The team did not compete in state team tournaments as in past years. Instead, each player had to face the challenge of trying to rank individually. This provided incentive for each player.

Both men's and women's teams offered strong opposition this year. The men's team was led by many fine players such as Brent Proctor and Joe Snailum. Debbie Vaughn again showed her fantastic ability in helping to lead the women's team in a fine season.

Several schools offered challenges, but Midland High will be the Cougs' chief rivals.

Cougar Baseball

The 1977-1978 Cooper Baseball Team went into the season hoping for a district championship for the second year in a row. The pre-district games opened with Thomas Jefferson High School, Ranger Junior College J. V., W. T. White High School, Graham High School, and Lubbock-Monterey. The regular season opened against San Angelo Central.

Coach Chester Dougherty and assistant Coach Kent Finley worked together to produce another district championship team. There were three returning lettermen from last year; they were Greg Watts, Eddie Jacques, and Ben Dozier. Other returning players from last year were Matt Eagleston, Tracy Thomas, Dean Armstrong, John Wilson, and Trey Kendrick.

The Cougar team faced several strong teams such as Midland, Lee, Odessa Permian, and of course our crosstown rival, Abilene High. The men of the 1977-1978 baseball team were another reason to be proud of Cooper High School.

Cougar Swimming

The 1977-1978 Cougar swimming team had a very successful year. The Coogs have a very experienced team this year with seniors Steven Ferrell, Tom Smith, John Gomez, Jeff Dix, and Linda Smith.

Coach Beverly Ball, the team's faithful and hard-working leader, helped the members of the team work out every day at the YMCA. Many hours of practice are required for a successful swimming team.

The team set several new school records in diving and other various events. The Coog's showed strong on diving and relays.

Cougar Gymnastics

The Cooper Gymnastics team had a victorious season this year, which can be accredited to hard work, devotion, and experience. Coach James McKinney was fortunate enough to have seven gymnasts return to the team this year. J. T. Fletcher (captain), David Watson, Gregg Webb, and Todd Bagby were the returning gymnasts for the men's team this year. Returning for the women's team this year were Ronalyn Anstead (captain), Debbie Anderson, and Leslie Harvey.

The 1977-1978 season began January 27, with Midland High and Midland Lee and ended April 21 and 22 at the State High School Championships in San Angelo. Coach James McKinney worked his team hard this year and the gymnasts went out and proved that all the work was not in vain.

Cougar Volleyball

The girl's Volleyball team at Cooper has worked long and hard hours and are something Cooper can be proud of. Each girl has acquired a little bit better sense of sportsmanship and the desire to do good in everything they take on.

The 1977-78 Volleyball team, both Varsity and Junior Varsity, worked hard to place in district. The Varsity team placed sixth in district, the Junior Varsity fourth. The teams participated in the Key City, Snyder, and San Angelo tournaments, with 16 other teams competing also.

Teresa Jenkins was named to the All-District first team. She was a unanimous choice.

Cougar Girls Track

The 1977 Fifth District AAAA Championship was won under the coaching of Mrs. D'Lana Williams; however, most of the girls of that championship team graduated, so the 1978 season was devoted to building the talents of the untried, inexperienced sophomores and rebuilding those previously displayed by the returning juniors and seniors. The new talent developed under this program will serve as a strong nucleus for the 1979 season.

The 1978 Girls Track Team, under the coaching of Mrs. D'Lana Williams and Mr. James Alderman, was involved in a very active year. The season began in the fall when the Cross-Country Team, coached by D'Lana Williams, performed well in several meets. Regular season, coached by James Alderman, began with a practice meet on February 25 and continued on through district competition on April 14. From there District qualifiers travel on to the Regional Meet in Lubbock and then to the State Meet in Austin.

Intramurals

In the last couple of years, the students have really become involved in the intramural program at Cooper. Carl Childers is the director of the many activities that are scheduled throughout the year. A large majority of the homerooms have participated in the different sports.

Intramural teams are made up of homeroom teams. They turn in rosters of their players for the sports they wish to play in. Then the action begins. Games range from football, volleyball, tennis, track, and ping pong, to basketball. There are many rivalries that show up throughout the year. Intramurals give all students who are not on a varsity or junior varsity team the chance to become involved in athletics.

The Cooper Cheerleaders for 1977-1978 were Donna Willis, (Head Cheerleader) Kathleen Barron, Pat Humphrey, Kelle Ray, Margaret Massey and DeAnn Edwards. They were six outstanding girls. The girls began the year by attending cheerleading camp in the summer where they were instructed in various new yells. They were presented with the Spirit Stick and were the most congenial and enthusiastic squad at the camp. Kelle Ray was awarded the highest award that can be received by a girl attending the camp. This award is the National Cheerleading Association Award which means that she can return to the camp as a counselor. The girls were aided by the Siren Squad in performing various different stunts during pep rallies and at the games as well. The six planned out various ways of pro-

moting school spirit. Most students got involved in one way or another. The Cooper Six successfully promoted school spirit in all athletic events throughout the remainder of the year.

The Siren Squad performed various different stunts with the CHS cheerleaders. The Cooper siren was carried to all of the football games by the squad.

The Coop for 1977-1978 was David Hardy. As our school mascot, he helped raise the spirit of spectators at various sports events and during the pep rallies. He also performed many exciting gymnastics acts.

The 1977-1978 Siren Squad included Robert Hughes, Phil Yelding, Don Kiel, Kevin Karrenbeck, Brooks Wright, and Kip Graber.

The National Honor Society promotes scholarship, service, leadership, and character through its members. The Honor Society tries to bring the achievements of outstanding high school students to the attention of their fellow students, parents, community, and to the colleges they wish to attend.

The Honor Society took part in many school projects such as college night, a spring and fall production, and the sophomore orientation. They also raised money by selling carnations and sponsoring a bid board, where people bid on merchandise and when the bidding is over the person with the highest bid on an item then pays for it.

The Honor Society was led by two very capable sponsors Mrs. Sarah Perkins and Mrs. Jo Caldwell. The officers for this year were Jim Snow, President; Al Atkins, Vice-President; Becca Groves, Recording Secretary; JoAnn Brockschmidt, Corresponding Secretary; and Kim Johnson, Treasurer.

Officers and Executive Staff Lead Student Council Through an Eventful Year

The 1977-78 school year arrived and with it came a brand new Student Council. The executive board of the Student Council has worked hard to better the student government at Cooper High School. Qualities of leadership, citizenship, and dependability have been found in every activity organized by these officers. They have been

the basis of better organization in all the functions related to the Student Council. Officers for this year: James Hughes, President; John Kiker, Vice-president; Becky Jones, Recording Secretary; Clairissa Taylor, Corresponding Secretary; and Sherry McDowell, Treasurer. Mr. Reford Schmittou was the sponsor for the Student Council.

The major goals for the 1977-78 student council were to become more involved in student activities and to aid in the decision making processes in high school. Through representation of each homeroom, student council members worked diligently for change and enrichment in our school with the help of the executive board and Mr. Schmittou. Student Council activities included the Merry Andrew assembly in the fall, taking Thanksgiving baskets to many needy families, hosting the Abilene-Cooper High Student exchange, sponsoring the Ugly Man assembly in the spring, and managing the student store throughout the year. Each elected representative was responsible for conveying news from each meeting to the students in the homeroom. The Student Council has proven to be an excellent voice of the Cooper student, and in this way our school has reached the boundary of unification.

They put in many hours of hard work throughout the summer and school year perfecting their dance routines. The Cougarettes performed enthusiastically and with much skill at pep rallies, football games, and basketball games.

Members of Cougar's Pride who wished to become Cougarettes performed dance routines before a selection committee. Each member was chosen according to her skill and appearance.

The routines done by the Cougarettes were original, exciting, and performed to perfection. The girls were imaginative in their choices of costumes, props, and routines. The Cougarettes, in their third year, were definitely an enthusiastic group of performers.

The sponsor for the 1977-1978 Cougarettes was Mr. Nikki Allbrooks. Wanda Pierce was captain, and Lynne McCaskill served as Lieutenant.

B.

Cougar's Pride this year was an organization of enthusiastic sophomore, junior, and senior girls. The purpose of Cougar's Pride was to promote spirit in all areas of school activity, and the members worked diligently all year to achieve this goal.

The 1977-1978 Cougar's Pride entertained fans with pom-pom routines and hand routines. During football season, the pep squad highlighted pre-game activity with a colorful card section. Withstanding long bus trips, rain, and cold weather, the members of Cougar's Pride faithfully followed the Cooper teams and provided much encouragement and support.

Money making projects the girls participated in were the selling of spirit ribbons, toboggans, and jackets. The girls also sold bumper stickers and membership to the Cougar Booster Club.

The sponsor for the 1977-1978 Cougar's Pride was Mrs. Patricia Quinnell. Sherry McDowell served as president, and Karen Barton was treasurer. Squad captains were Wanda Keels, Beth McDaniel, Christie Quinn, Susan Howard, Jana Yaw, and Cindy Shelton.

Sporting new uniforms this year, the members of Cougar's Pride formed a colorful and fashionable group. They were a group that the students at Cooper had reason to take pride in.

The Careers In Medicine Association is a club aimed at involving those Cooper students interested in some form of a health career. Through various trips and activities the members are able to learn more about their various fields of interest. The C. M. A. is a member of the Texas Association of Careers in Health.

The organization sponsored many fund-raising events, including bake sales, a car wash, and a paid assembly in January. Part of the profits collected from these money-making projects went towards the annual banquet and the picnic at the end of the school year. The rest went into the January trip to the Texas Tech Medical School and the Houston/Galveston trip in April. Members of the club also participated in the annual Health Careers Day at Hendricks Hospital in February.

Officers from the year were the following: Drew Dillard, President; Mary Duggan, Vice-President; Joan Buzard, Corresponding Secretary; Cindy Gee, Recording Secretary; Janet Estes, Treasurer; Bernal Reneer, Historian; and Beth McDaniel, Reporter. Club sponsors for the year were Natha Kidd, Mike Newton, and Jerry Wood.

This school year represents a milestone in the ten year history of the Cooper Film Society. The acquisition of the Cinemascope screen added a new dimension to film here at Cooper. The massive 30 by 50 foot screen made a serious impression on all involved. Future films at Cooper will be greatly enhanced by this new development.

The purpose of the Film Society is clear: (1) To instruct students in developing a way of criticizing films; (2) To give an opportunity to see and discuss varied films; (3) To point out for observation the techniques of film as an art; (4) To observe techniques of adapting the works of literature to the screen; (5) To develop values illustrated in films.

Knowledge Is Math-Science

Seminar's Objective

A new dimension of Education was introduced by Mr. James O. Alderman at Cooper in the form of a Math-Science Seminar for students interested in the fields of mathematics and science. The Math-Science Seminar's objective is to advance knowledge and interest in mathematics and science. Interested students learn mathematical concepts which are carefully applied to the areas of nuclear physics, nuclear engineering, optics, thermodynamics, and nuclear radiation transport phenomenology. Mr. James O. Alderman, a nuclear physicist, and Mr. Ronne Check, a mathematician, work together to develop the basic mathematical concepts in preparation for instruction by Mr. Alderman in the areas of nuclear structure and nuclear reactor design. Karen Barton is the note taker for the Seminar and plans are being made to publish the notes as instructional material for future Seminars.

Officers for the first year of the Seminar were Doug Shelton, President; Carl Bargamer, Kerry Knox, and David Nelsen, Vice-Presidents; Karen Barton, Secretary; Jim Boggs and Steve Rogers, Treasurers; Forrest Waldon and Larry Gee, Course-Coordinators; and David Watson, Historian. The Seminar sponsor is James O. Alderman.

Their activities included backing Republican candidates and serving the community by working with the local government. The local community was not the only area in which the club worked though. In February club members attended a major Republican Convention in New Orleans, Louisiana. Other trips were scheduled for Lubbock and Austin to attend conventions. This year's sponsor was Mr. Ray Inzer.

The French Club began its activities enthusiastically in the fall, selling imported candies to subsidize the cost of its trip to Fort Worth and big D. This was one of the best of such trips, as members were able to enjoy four great French related cultural activities. First stop was a tour through the Kimbell Museum to view the French paintings in their permanent collection, as well as the recently-acquired Rembrandt. Next, the group stopped at downtown Neiman-Marcus in Dallas for the French Fortnight being celebrated throughout the store. After a dinner at a French creperie, many of the students attended a performance of Moliere's play, *The Imaginary Invalid*, presented by the Dallas Theatre Center.

In mid-December, the French Club celebrated Christmas with a delightful party, the refreshments for which were prepared by members of the club who used French recipes. French Christmas carols were sung by the group, followed by a reading of the Christmas story from a French Bible.

In the spring, several students accompanied Mrs. Kendrick on a trip to Paris during the Spring break. The group left on Easter Sunday, March 26, and spent seven full days and nights in the beautiful "City of Light."

Many students participated in the National French Contest, sponsored by the American Association of Teachers of French.

Another cultural trip to Dallas was part of the "Spring Scene," involving a visit to the Alliance Francaise, a French language school.

Officers for French Club: Tony Surles, President; Jane Anne Batjer, Vice-President, Kyla West, Secretary, and Cindy Compton, Treasurer. The sponsors were Mrs. Dorothy Kendrick and Mrs. Melissa Pilcher.

The Spanish Club studied the culture and customs of the Spanish speaking world. This was the first year for the club, sponsored by Miss Sonja Green.

As a benevolent club, they strived to help those less fortunate. One activity included giving a Thanksgiving basket of food to a needy family. Members also took part in a Christmas sing-song at a retirement home.

At Christmas they also had a banquet. Their successful first year was celebrated with a Spring Picnic.

Crest Covers Cooper News

The COOPER CREST is the bi-monthly school newspaper which features articles on interesting events and activities here at Cooper. Student editorials and columns highlight every issue of the publication. The hard-working students on the CREST staff write all the articles which appear in the paper, and do their own art work and photography. The business staff is responsible for a large part of the sale of advertisements which help finance the CREST.

Editors of the CREST were Donna Testa and Janet Washington. Associate editors were Nancy Beckham and Brenda Bagoy. The sponsor of the student newspaper is Mrs. Nancy Walter. This year, Mrs. Allene Free was also a sponsor.

Front Row: Pam Walker, Connie Dunn, Janis Hayman, Linda Geer, Valerie Valentine. Back Row: Lynn Ann Pittman, Laurie Harris, Karen Brooks, Gloria Norman, Allene Free, Debbie Sawyer.

Front Row: Don Fassett, Jaquetta Steger, Sharon Sharp, James Luton. Back Row: Joe Wherry, Juanette Vickers, Tammy Shatley, Doug Carlson, Brooks Colson, Beverly Varner.

Editors for the 1977-1978 school year were the following: Sitting: Cathy Grimes, Caroline Rose, Donniece Smith, Mrs. Nancy Walter, Brenda Bagby, Janet Washington, Nancy Beckham. Standing: Ray Olah, Virginia Watson, Donna Testa, Rob Drury.

Staffers are always busy in the Crest Office. Hard workers include Donniece Smith, Donna Testa, Danna Brand, Julie Benton, Ray Olah, Jaquetta Steger, and Caroline Rose.

Commentarius Staff of '78 Keeps Writin' On

Submissions! Submissions! was the cry from the staff of this year's literary magazine, the *Commentarius*. Under the leadership of the sponsor, Mr. David Noll, the crew again managed to put together a magazine recognized as being one of the best in its class.

What is a literary magazine? To the students of Cooper High School it represents the best from the culmination of art, photography, poetry, and prose submitted. The material which is submitted is then anonymously voted on by each staffer on its quality and then published. The *Commentarius* is made up of only the best in student writing, and therefore belongs to all of us.

The staff of this year's *Commentarius* was headed by Russell D. Rudd and Randall McCoy as editors-in-chief, Robin Baringer, business manager; Mitzi Henderson and Margaret Ann Rose, publicity managers; Sue Johnson, prose editor; Jenni Davis, art editor; Nancy Beckham, photography editor; Debbie Vaughn, poetry editor; and, James Wells, Caron Bray, Mary Carter, and Donna Testa.

Why I attend Abilene Christian University

It is an unbelievable thrill to step into the spotlight at stage center and say to a nationwide, prime-time television audience: "I'm Judy Blanks from Wylie High School." That happened to me two years ago when I was a representative in the Miss Teenage America national pageant.

Now, I'm a sophomore accounting major at Abilene Christian University. In a very special way, being a student at ACU is an even greater thrill than the Miss Teenage America competition. At ACU I can make new friends every day, teachers are friendly and go out of their way to help every student, and the student body isn't so large that I get lost or become just a "number." The really important thing to me is that on our campus there is a prevailing Christian atmosphere in which all of us can freely and openly develop our spiritual dimension. This, then, is the greatest thrill . . . and I would like to see you attend ACU.

In Memoriam

Lia Morgan

Tulisan: Editor-in-chief: 1975

Most people are content to walk around, breathe and just exist. Most people are content to perform the minimum requirements of life. There are, however, extremely rare human beings who come along too infrequently. These rare people are in love with life in all its aspects. These people have compassion and love for others. They are excited about the joy and beauty of the world and of all its accomplishments. They study, they love, they work, they care .

Lia Morgan was such a person. She was one of those rare people who love the world and the people in it and respect and use the great knowledge this world contains. We who knew her and loved her are glad that she crossed our lives and made our lives more meaningful and beautiful. We shall be eternally grateful.

In Loving Memory of
Marilyn Bauernfeind
and
Mark Thompson

*"Jesus, I like what I am,
because, it was your idea.
Help me to find adventure
in my uniqueness, and not
want to be what someone
else is. God, if I lose sight
of the fun being me, then
your dreams of what I can
be in this world die . . ."*

The Seniors of 1978 came to Cooper High School as young and inexperienced sophomores along with a new principal, Mr. Roger Bauernfeind. Mr. Bauernfeind helped us work out problems which would have been devastating to the activities we planned.

The past three years have helped develop many meaningful relationships with both faculty members and fellow students. We have acquired friends that will be remembered for years to come.

There seems to be a winning spirit at Cooper. In three short years we have seen many victories in various competitions. In 1976 the Cougar Tennis Team won the State Championship for the second straight year. We captured the district championship in basketball, baseball, and both boy's and girl's track in 1977. In 1978 we saw many victories, including second place in district in basketball. Success will be prevalent in the future because of this winning spirit.

To some people graduation is the end suddenly finding yourself thrust into a hostile world, completely independent. However, graduation can be compared to a circle. There is no beginning or ending in a circle. It may seem like the end, but it is actually the beginning.

Although the Seniors of 1978 will be leaving Cooper, Mr. Bauernfeind and numerous others will continue to help the school. To those returning to Cooper High School next year and every year to come, remember— "Honor and pride, WE WILL NOT FAIL!"
